Northern New England—Cloudy, probably he Comptroller-General and the Assistant Comptroller-General, who are to be appointed by the President with the advice and consent of the Senate, may be removed at any time by a concurrent resolution of Congress after notice and hearing, when in their judgment the Comptroller-General or Assistant Comp-Comptroller-General or Assistant Comptroller-General is incapacitated or inefficient or has been guilty of neglect of duty or of malfeasance in office or of any felony or conduct involving moral turpitude and for no other cause except by impeachment or a concurrent resolution of Congress. It has, I think, always been the accepted construction of the Constitution that the power to appoint officers of this kind carries with it, as an incident, the power to remove.

"I am convinced that the Congress is without constitutional powers to limit the appointing power and its incident power of removal derived from the Constitution.

"The section referred to not only forbids the Executive to remove these officers but undertakes to empower the Congress by a concurrent resolution to remove an officer appointed by the President with the advice and consent of the Senate.

"I can find in the Constitution newarrant for the exercise of this nower."
